## THE BAYCOM DIFFERENCE

### SAFETY AND EFFICIENCY

We deliver clear, simple and reliable communications that increase safety and operational efficiency—down the hall and across the district.

### DIRECT ACCESS COMMUNICATION

While teachers, staff, bus drivers and first responders can communicate in real time, transmit-interrupt features give emergency communications priority.

### VIDEO AND INTEGRATED DATA

Equipping schools with scalable video surveillance and integrated data solutions helps to create a safer, more secure environment for students and staff.

### SCALABLE & EXTENSIBLE

We live where our customers are – in cities and towns across Wisconsin. So, if a system needs service, we're there. Because we know every minute matters.
