

SERVICE AGREEMENT

A customized Service Agreement from BAYCOM gives you top priority status, ensuring that those unexpected service calls reduce your downtime! Our representatives work with you to build a plan that fits your systems AND your budget!

PROTECT YOUR INVESTMENT

Give your equipment a longer life and keep it operating in peak condition with routine service and testing. Digital radios require updates just like your computer or smartphone. Aligning and optimizing digital radios using professional, accurate equipment.

MINIMIZE DOWNTIME

Reduce time lost from equipment failure with routine maintenance. With same-day response for field service calls received before noon and an emergency field service center that is available 24 hours a day, 7 days a week, you can rest easy knowing that your downtime will be as short as possible.

MAINTENANCE EXPERTS

Our teams of knowledgeable and experienced maintenance and repair technicians can test, maintain or repair every piece of equipment that we sell. Sometimes we can even repair equipment that was not purchased through us.
