ESSER FUNDING: \$126 BILLION EDUCATION FUNDS AVAILABLE

GRANT FUND YOUR SECURITY/CAMERA EQUIPMENT TO HELP CREATE A SAFER SCHOOL ENVIRONMENT

More than \$126 billion of Elementary and Secondary School Emergency Relief (ESSER) funds were administered by the US Department of Education in the latest relief act with over **\$2.8 billion in WI and MN alone!** These funds are intended to support efforts by schools to prevent, prepare for, and respond to the coronavirus. Consider BAYCOM safety and security solutions to ensure a safe and healthy environment for your students, faculty, and staff. Our representatives are here to assist you with the process!

What You Need To Know

The ESSER III funds are part of a non-competitive grant that allocates funds to each state and school district. To see the estimated amount for your district, [visit this website](#). Select the *ESSER III* grey tab at the top and select your state in the drop-down menu.

The ESSER III application process was made available in January of 2021 and must be completed by January 2022. Upon approval, funds will be given to the district within 60 days. Funds must be expended by September 23, 2023.
